MICE

### MEETINGS:

Every organization – formal or informal, consisting of working professionals large or small – enjoys a break and a general shift from the usual. Be it a firm of lawyers, consortium of doctors, group of IT professionals or any other type of Industry group; they all want to getaway and do something that brings them together yet allows for something new, something refreshingly different. **Leisure Travels** entertains these needs with myriad MEETING options.

While business professionals look for a perfect destination, hotel or weekend break to bond with colleagues while conducting formal meetings and discussions, other working professionals may look for an alternate life with fun and glamour attached.

### INCENTIVES:

At **Leisure Travels**, we understand that successful incentive program not only generates customer sales, but also encourage company loyalty among employees. Leisure Travels Incentives rewards your employees with an event experience beyond their wildest expectations—and one that says you recognize the value of their hard work and dedication. The result is an attendee experience that motivates your employees, increases sales, and positions your company as a star year after year.

### CONFERENCES:

With a committed focus on the importance of customer service, **Leisure Travels** has tie-ups with highly regarded industry leader and has built a strong reputation as one of the leading conference management organizations in Assam. Our valued clients enjoy the benefits of working with one company for their entire event, and have come to entrust their largest and most critical events to us. We select outstanding destinations, create powerful themes, maintain and manage budgets and coordinate vendors.

### EVENTS:

If you are planning to organize an EVENT ....either on a shoe string budget.....or need innovative ideas and want to create a WOW experience, you can now outsource this function to us at **Leisure Travels**. The key is to outsource to this complex job and relax, while our experienced and professional team manages the process and various challenges arising out of it in a timely and cost effective manner. At **Leisure Travels**, we have our own specialist in-house Division, and we can offer you innovative ideas and cutting edge solutions, so that you can plan an effective Conference and achieve your desired objective in a stress free manner.

Don't worry. At **Leisure Travels (Corporate Solutions)** our expertise and vast network of resources are at your disposal.
